

OLIVER PHILLIPS

PROFILE

I'm an accomplished, award-winning graduate designer with a keen eye for beautiful design. In the last eight years I've pursued my passion, studying design-related subjects, enhancing my knowledge of the industry and gaining invaluable experience. University has allowed me to link my experiences and learning to further develop specifically in areas I personally find to be the most engaging - Ideation, UX, 3D design and CAD. I'm seeking a varied and challenging position that will enable me to consolidate my skills and interests, expand my knowledge, and provide opportunities for personal and professional growth.

EDUCATION

University of Brighton - Degree (2015 - 2019)

- Product Design (BSc) with Professional Experience - Graduating Sept 2019

Cardigan Secondary School - A Levels & GCSE's (2008-2015)

- A/L Product Design - (A)
- A/L Art, Craft and Design - (B)
- Welsh Baccalaureate Advanced Diploma - (B)

Professional Qualifications

- STA Level 3 Award in First Aid at Work (QCF)
- STA level 2 Pool Lifeguard (QCF)
- National Vocational Beach Lifeguard Qualification (NVBLQ)

EXPERIENCE

BUSTER + PUNCH (Aug 2017 - Sept 2018)

My main roles and responsibilities as design intern and assistant to the design team included, but were not limited to: researching design trends for the brand direction, developing existing product lines, concept generation for new and existing products ranges, producing highly detailed CAD models/drawing packs in Solidworks and photo-realistic renders in Keyshot, using the Adobe suite, assisting with photoshoots and day-to-day office tasks such as technical support for customers. I was given my own projects and aided in the design of standard and bespoke products, displays and packaging, both internally at Buster + Punch and in collaboration with external, high profile international clients (such as Beacon Lighting and Architecture Saville Isaacs).

THE SALT ROOM (June - Dec 2015)

During my time working at The Salt Room, it was my responsibility to serve food, clear and take food and drink orders, give recommendations, and attend customer requests in a highly professional manner. I also handled customer payments using cash or electronically using the PDQ machines. I was required to consistently maintain a high standard of service.

CARDIGAN SWIMMING & LEISURE CENTRE (Nov 2013 - Jun 2015)

My duties as lifeguard included supervising swim sessions, serving customers in reception, teaching pupils aged 2-16 of any ability in the swim school, setting up activities in the complex, giving inductions to the fitness suite, and pool maintenance.
